Extension to the 2019-2020 FULL-TIME OSAP Application

Application DEADLINE: no later than 40 days prior to your end of study date
http://sfas.mcmaster.ca/important-dates/ft-osap-dates

This EXTENSION form can be used to extend your OSAP application where ALL of the following specifications are met:

- You have already submitted an online OSAP application or full booklet OSAP application for the current academic year.
- Your 1st application is complete and your OSAP Confirmation of Enrollment for that base application has been processed.
- You intend to take a 60% course load (40% course load for students with a permanent disability) and your student status is not “continuing or transitional.” (*see Calculating Course Load: at bottom of page)
- Your term units OR co-op work placement are a requirement for your McMaster OSAP-eligible degree program.

Check this box if you are a student with a permanent disability (PROOF OF DISABILITY MUST BE SUBMITTED OR ON FILE IN FINANCIAL AID OFFICE)

September - December | January – April | May – June | June – August

TOTAL Number of Enrolled units | TOTAL Number of Enrolled units | TOTAL Number of Enrolled units | TOTAL Number of Enrolled units

**For MULTI-TERM (Fall/Winter) courses...divide unit count by two.
Enter half in fall term total and half in winter term total above (e.g. MULTI-TERM → 6 UNIT COURSE = 3 units/Fall session + 3 units/Winter session)**

**For MULTI-TERM (Spring/Summer) courses...divide unit count by two.
Enter half in spring session total and half in summer session total above (e.g. MULTI-TERM → 6 UNIT COURSE = 3 units/Spring session + 3 units/Summer session)**

*Calculating Percentage of Course Load: You must be enrolled FULL-TIME in a MINIMUM of 60% course load (40% if you have a permanent disability) to use this form.

- Obtain your program’s full course load units from the undergraduate calendar.
- Divide total program units by 2 to obtain the 100% course load requirement PER TERM (Fall/Winter).
- Take the 100% PER TERM units and multiply by .60 (60%) to obtain the MINIMUM PER TERM units required for F/T OSAP consideration.
- For Spring & Summer 7 week SESSIONS, you must take the total program units...divide by 4...then, multiply by .60 (60%) to obtain the OSAP MINIMUM PER SESSION units required for F/T OSAP consideration.
  - Example: ENG Year 1: 37 units from Sept. to April = 100%
  - 37 units / 2 X .6 = 11.1
  - Therefore, for fall & winter terms...12 units MINIMUM ENROLLMENT to be considered for F/T OSAP
  - Therefore, for spring & summer 7 week SESSIONS...6 units MINIMUM ENROLLMENT to be considered for F/T OSAP

- For spring/summer 14 week FULL TERM...12 units MINIMUM ENROLLMENT to be considered for F/T OSAP

- NOTE: Students with a permanent disability would use the same above equations but multiply by .40 (40%)

Not studying full time?
- Part-time students (20-59% of full course load), go to https://www.ontario.ca/page/osap-ontario-student-assistance-program to apply for OSAP for Part-time Students.

**Important Information:**

- If you did not have a fully processed OSAP application during the current academic year, you CANNOT use this extension form.
  
  In this case, you must be enrolled FULL TIME during the term for which you are seeking funding & the term of study must be a minimum of 12 weeks (i.e. You must be enrolled full-time in BOTH the spring & summer sessions to apply during spring/summer term) and submit a FULL OSAP application online at [https://ontario.ca/osap](https://ontario.ca/osap) no later than 60 days prior to your term end date. (Paper versions of the full application may also be printed from this website).

- Please be aware that any reduction in course load (even by 3 units) may cause a significant reduction in your OSAP entitlement and may result in an overpayment or ineligibility for funding. All changes must be reported promptly.

- If you are a McMaster student taking courses at both McMaster and at another institution on Letter of Permission, please print off a "Registration and Fees Confirmation Form" from our website. You must complete Section A and have an official at the institution where you will be attending complete and sign Section B; then, submit the form along with this extension. If taking all courses at another institution on LOP during the term, you must apply for OSAP through the other institution.

- **Overpayment Policy:** Students whose OSAP awards have been reduced by reassessment during the academic year will be deemed to be in an overpayment situation. The amount of the overpayment will reduce the amount of further installments during the academic year or eliminate future funding from being issued.

- In order for funds to be released, you must be enrolled in the total number of units you have specified in **Section 1** of this application. The release of funds will occur after the start of your extended study period. Disbursement will be approximately 5 – 10 days after your Confirmation of Enrolment has been processed by the Office of Student Financial Aid & Scholarships.

**DECLARATION:**

I declare that I have read this application in its entirety and have given complete and true information; including all income received or to be received during each of my work and study periods from all sources including government funding assistance. Should any of the information recorded on this form change, I will promptly notify the Office of Student Financial Aid & Scholarships at McMaster University in writing.
