Session Awards

The Chancellor's Gold Medal

The Chancellor's Gold Medal is one of McMaster University's most prestigious awards. Established in 1938 by Dr. Howard Whidden, the Chancellor's Gold Medal honours a student who ranks highest in scholarship, leadership and influence.

Each year McMaster University awards one undergraduate student in their last year of study with this award. It acknowledges and celebrates their dedication to academics, leadership and culture.

The Governor General's Academic Medal

The Governor General's Academic Medal is one of the most prestigious awards a student in Canada can receive. Established in 1873, this honour recognizes exceptional academic achievement at the high-school, collegiate, undergraduate and graduate levels.

Each year, McMaster University awards just two Governor General's Silver Medals to the students at the university who have achieved the highest academic standing at the undergraduate level. Earning this accolade not only places this year's recipients among the top students to graduate from McMaster; it places them among the top students in Canada.

President's Award of Excellence in Student Leadership

The President's Award of Excellence in Student Leadership acknowledges the contributions made by students who play a significant role in improving and developing the intellectual, social, and/or cultural fabric of the McMaster community.

President's Award for Outstanding Contributions to Teaching and Learning

The President's Award for Outstanding Contributions to Teaching and Learning is granted to those educators who, through innovation and commitment, have significantly enhanced the quality of their students' learning experience.

Convocation ceremonies will be recorded, broadcasted live, and archived at registrar.mcmaster.ca/grad/webcast/
